*I will make Your name
to be remembered in all
generations; Therefore
the people shall
praise You forever
and ever.*

Psalms 45:17

From Generation to Generation

In the Old Testament we see God exhorts us to recount to our children God's faithfulness and mighty works. We see in the scripture the Lord instructed Moses to "tell in the hearing your son and your son's son the mighty things that I have done in Egypt, and my signs which I have done among them, that you may know I am the Lord" (Exodus 10:2). Moses instructed the children of Israel to teach "the things your eyes have seen." They were to do this to their children and their grandchildren.

Our children need to hear these things so, "that they may set their hope in the Lord and not forget the works of God, but keep His commandments" (Psalms 78:7). The scriptures are filled with God's love for children and we are to show them the way of the Lord and to equip them for life.

Every weekend, my sister-in-law Sarah and her team, which is made up of some of our Bible students do an outreach to a village near our property. We are very grateful that Sarah has come back to work with us. Last year, she spent the year in Sriracha, Thailand, learning some necessary skills regarding day care and children's ministry; now she is back with us. A part of our vision is a children's home on the property in Burma – raising up children in the Lord.

This past month, my brother-in-law Samuel, Sarah, and Ruthie have been helping another bible school located in Mae Sai while we (our bible school) are in recess; and the director has been very pleased with their skills. But they still meet with our students on a regular basis to teach them English and music. Our school year will begin again in September.

Just this past month, Sarah and Ruthie took over the pastoring of a Thai church in Mae Sai. The current pastor felt inadequate to pastor the church but my family seems to be up for the challenge.

Also this past month, we were donated \$5000 for the completion of our wall around the Burma property. That leaves a little more than \$2000 left for the completion of the eastern

side of the wall. Our goal of having a bible school and children's home on the Burma side of the border lives strong in us and we are grateful for all of you that have continued to support us.

As for the property in Burma, we ask that you believe with us concerning the first children's home building which will be around \$35,000-\$40,000. The kitchen/dining area, which is about 6 meters by 12 meters, will be close to \$8,000; the shower/laundry area will be 6 meters by 15 meters, which will also serve as showers and a toilet facility will be close to \$12,000.

Believe with us to continue to make an impact with the Bible students and a future children's home.

Thank you all for your continued help with your continued prayer and support.
