"For God is not unjust to forget your work and labor of love which you have shown towards His name, in that you have ministered to the saints and do minister."

Hebrews 6:10

Many of you know I am part of a larger Missions Organization called Living Word Ministries International from Tucson, Arizona. If you would like to give through this organization, I have enclosed an envelope for this organization also. Using either envelope, the donations will go to our ministry in Myanmar.

Training for Reigning

The scripture encourages us to be *steadfast, immovable, and always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord* (1 Cor. 15:58). This has certainly been the case over the past couple months. The children are in their 4th month of school and the Bible school is in full motion. All this activity has kept us quite busy for the past couple of months as we now have 44 children and 15 Bible students. The Bible students have been busy working on an additional property planting vegetables and cleaning the buildings that we have rented and helping the children in the evenings with their homework. The training of obedience, submission and consistency is all part of God's process. We are thankful to have a part in training these students and children for their future. The children are on a daily schedule for cleaning, cooking, and having devotions, and having their Sunday afternoon service. Seeing

children and students grow up in the Lord is joy for us, knowing that God has something great for their lives.

The property that we rented has some great potential as there are a few buildings on the land as well as some large fish ponds and some buildings for chickens and or pigs, although there is some work that needs to be done on these buildings. Right now, we have all the students and children living on our campus but that could change this coming year as I want to implement some changes on our leadership assignments.

If you have an interest in coming here to teach our Bible students or doing an outreach with our children, please let us know. This past year and months, we have had some wonderful ministers come and make a great impact upon our Bible school and our children's home. This past year, we have had one of our Bible school graduates

Celebrating Joshua's 1st Birthday.

We want to thank you for your prayers and support! We are honored to be your representatives here in SE Asia. *"All your children shall be taught by the Lord, And great shall be the peace of your children. In righteousness you shall be established;..."* You can see us at www.loveforburma.com

We appreciate you!

Our new vehicle for the children's home.

working in a remote area in the eastern Shan state. Her name is Mi Saw and she has been working with children in her village and the surrounding villages. I have been so impressed with her heart as she continues to give a whole-hearted effort for these children in the midst of difficult circumstances. Also, my brother-in-law is helping with 2 churches through preaching and leading life groups. He has done such wonderful translating and leading our Bible students. Our Bible students have also done a great job working with our children's home, helping them with their daily studies.

My wife Elizabeth and I want to thank you for being a wonderful support for us. Because of you, we have a newer truck for transporting the children. This truck was an answer to prayer as we went from 17 to 44 children this year. We are also adding to our wall surrounding our property. We have much of our campus surrounded by a wall but not all of it. There are always additional projects that need to be done on our campus and we are so grateful for those who have believed with us and stood with us through prayer and their giving. We are honored to be your missionary representative in SE Asia! You can see us at www.loveforburma.com
