## See I Have Inscribed You on The Palms Of My Hands

**M**any of you have probably heard by now and that is the Myanmar Military has taken over the government. No matter who is in power, we believe God's power triumphs over all! Our God is our super power! Some believe the greatest influencers upon the earth are the Prime Ministers or the Kings or the President, but we believe the greatest influencers upon the earth are those in whom God answers their prayers. Our goal is to raise up Bible students and children who believe in a God who answers prayers. Jesus said in John 16:23 "... *Truly, Truly, I say to you, if you ask the Father anything in My name, He will give it to you.*" Of course we are to pray according to His will because what God has for us is far better than what we want. It is an inheritance – incorruptible, undefiled, and does not fade away. *His eyes are open to the righteous and His ears open to their prayers. We are committed to putting this image upon the hearts of the children and on the Bible students.*

### Christmas Outreach

This year, our Christmas outreach was quite a bit different as we were not able to hold the outreach on our campus. We were able to hand out meals and gifts to our neighboring village and also fill our truck with food supplies and gifts for children's homes in our area. We were able to give out 240 meals and about 200 gifts for children. Gifts generally contained socks, masks, notebooks, pencils, and hygiene items. We so appreciate the support of the annual outreach. It is a fun time for our children and Bible students to do this annual outreach. After a difficult year for these children, it is wonderful to put a smile on their faces.

The second semester has started for Jeremiah at his school. The school locked down for the first two weeks but now they are meeting in the classrooms. We had a wonderful Christmas break as we visited a couple of beautiful gardens in the area and they are terrific! One of them had fish ponds and lots of pigeons. Joshua loved feeding the fish and the pigeons. Agree with us in prayer as my wife Elizabeth has suffered some iron issues, fortunately we have found a good clinic which has been treating her.

Your support is greatly appreciated and we are honored to be your representative missionaries in SE Asia. *“God is able to make all grace abound toward you so that you always having all sufficiency in everything...”* II Corinthians 9:8

### Bible Training Center and Pastors' Conference

It was about a year ago that we had our first Pastors' Conference. I had planned on another sometime during September, but it had become obvious to us that it was not possible. We are now in the process of planning another for late February or early March. Last year, we had a couple pastors come from Laos, but that is not likely this year. We are hoping to have anywhere from 15-25 pastors. During the past months, we used the time to have some books published as resources for our Bible students, pastors, and also for our children's home. I have also been able to teach our Bible students online, which was a blessing for me. We have been honored to have some guest ministers from the USA teach our students online.
