Shepherd's VOICE

Trust in the Lord, and do good; Dwell in the land and feed on His faithfulness. Delight yourself also in the Lord, And He will give you the desires of your heart. Commit your way to the Lord, trust also in Him. And He shall bring it to pass.

Psalms 37:3-5

Trust In The Lord At All Times

Psalms 62:8

Throughout the Bible we are encouraged to *trust in the Lord*. We are to trust the Lord to lead and guide us, we are to trust the Lord to provide for us, to heal and restore us and we are to trust the Lord to protect us. In the midst of all the chaos in Burma, the Lord has surely protected our children's campus and our Bible school campus. Our gardens are looking great and our fish tanks are filling up. Teaching the children and our Bible students that much of our walk with God is all about "*trusting in the Lord*." We are living in very uncertain times, but one thing is certain and that is the *Faithfulness of God*.

CHILDREN Because of the Covid 19 situation in Burma, school has been cancelled in our area where our children's home is located. We are making the best of the situation and now is a good time to put God's Word on the inside of them. They have very little distractions, so other than work on our campus and playing football, we have their attention concerning God's Word. My in-laws have been having regular devotional times with them, as well as my sister-in-law.

OUTREACH This past month, one of my former students Zami and her family did an awesome job with our food outreach to 65 families and medicine outreach in her local village area. Our food outreach has been going on for the past few months as the need in Burma has been so great. We believe God has a plan of "deliverance," a plan of "guidance," and a plan of "provision," for the Burmese people. All throughout the country God is at work in the midst of the chaos.

Joshua's third birthday celebration.

FAMILY Fortunately, because of where we are living, I have been able to take my children swimming and my son Jeremiah to basketball. Our area has been locking down because of Covid-19 but I have been able to give the children some recreation because of our area. Jeremiah will also be starting school on the 16th, but at this point, it looks like it will be online. My wife, Elizabeth, and I are doing well and feel blessed. We want to thank you for your continued prayer and financial support. We are honored to be your missionary representatives here in SE Asia.

BIBLE SCHOOL This month, starting on the 16th of August, we will be starting up our Bible school again. Most of it will be online, but my brother-in-law and father-in-law will be teaching in person. We will be having guest ministers from America and Canada – very similar to what we were doing last year. Because of the logistics at this point, we are not able to have a pastors' conference. I have it in my heart to continue to help the pastors with more printed material that will help to equip themselves as well as their congregations and the children.

Online meeting with staff members.
