"The lines have fallen to me in pleasant places; Yes, I have a good inheritance."

This verse in Psalm 16:6 has blessed me over the years. God promised that His children would have a good inheritance. Father God has a good inheritance for each one of His children. None would be forgotten, and none would be forsaken. Provision, strength, security and healing is all part of the blessing and the inheritance of the Lord. Our security is in God, we are trusting in Jesus to watch over the Children's Home, the Bible School, and the pastors that we work with. Even during the midst of some difficult circumstances, we are believing that our work will flourish and prosper because we have a good inheritance. The team has been very diligent and every aspect of the work in Burma has prospered this year. Some of the Bible students are still with us during the Bible School break so that we can get some additional work finished on the children's campus, on the rented Bible School campus, and on some of property north of us. The students along with some villagers dug out a fishpond on that property and we are adding fish for the rainy season. We are looking at expanding every area of our food supplies.

FAMILY: In the past couple of weeks, my family experienced fevers and headaches. A trip to the hospital revealed that it was Covid-19. The good news is that the family has recovered quite well, and we are grateful for the care that we received from the local hospital. Maybe the worst of this was the quarantine that was required. The quarantine required Jeremiah to stay home from school for a week.

THANK YOU... Your support is greatly appreciated, and we are honored to be your representative missionaries in SE Asia. **“For the Lord is a sun and a shield; the Lord gives grace and glory; no good thing does He withhold from those who walk uprightly.”** Psalms 84:11.

YOUTH OUTREACH: This past Easter season, the Bible students had an outreach to the youth in the area of our Bible School and Children’s Home. The outreach lasted over a four-day period. Lots of activities, lots of food, and of course, lots of ministry activity over the course of the outreach. Most of the youth and the children were able to stay on the Bible School campus.

The mornings were filled with exercise, devotions, and then, of course, the ministry of the Word of God. The afternoons were filled with games and other activities. The evenings were filled with worship, drama, and the ministry of the Word of God. We were so blessed to see many of the youth come to be ministered to by our staff and some of the Bible students. During this conference, many youths and children were water baptized. We also had many who rededicated their lives to the Lord, as well as some who came to receive Jesus as their Lord and Savior for the first time.
