*"God is our refuge
and strength. A very
present help in trouble.
Therefore we will not
fear. Even though the
earth be removed,
And though the
mountains be carried
into the midst of
the sea."*

"God Is Our Refuge And Strength, A Very Present Help In The Time Of Trouble"

These past few weeks where our children's home is located was flooded with rain that devastated the community of Tachilik, Myanmar. Fortunately, our children's home is located on higher ground and our drainage system is designed for a proper run-off. But the rain was way beyond what we could have imagined. One of our two bamboo buildings collapsed, but nobody was injured. But our neighboring villages and community experienced devastation beyond what one could imagine. Our Bible Students and our children responded with physical help, food and prayers. Because of YOU... (our partners) our new Heavy Load Tricycle was loaded up with food along with our truck. Our Father God wants to show forth His presence through the good works of his children and by the GRACE of God we were ready to respond. The world has been experiencing troubling times everywhere and the body of Christ is rising up everywhere showing that OUR GOD IS ABLE TO OVERCOME all that comes against us. The scripture tells us that, "My soul, wait silently for God alone, for my expectation is from Him." Psalms 62:5.

The Bible School training has continued in the midst of much of the crisis in Burma. This past week we sent them out to begin the harvesting of our rice field. Our Bible students do it the old-fashioned way manual labor. This is going to be a boost for us because of the soaring food and rice prices. With all the planting of our gardens and the harvesting of the rice field the students are having plenty of work to do as well as helping all the people during the flood that hit our area.

Brother Samuel has used a couple of local Burmese Bible teaches as well as zoom to continue teaching at the Bible school. The location of our Bible school will not allow foreigners. Teaching the Word Of God and building character is a couple of our prime objective with our young students.

Concerning our kitchen, we have received a good amount of funds for the building, and we want to thank you for your contributions. Hopefully we can get started soon with the building, but the tremendous amount of rain has delayed our original timetable. The bamboo building where we stored some food items totally collapsed under the rain but most of the food was salvageable.

Giving a child an opportunity will fill their heart with hope. This is what Victory Life Children's home is doing for those who have little to no opportunity. All our children come from poor and remote villages where there is little or no education. Our team on the campus provides a Christ-centered environment where God's love is expressed, and children are given an opportunity for a better education and ultimately a better future. We minister faith and hope and instill Christian values that help frame their life.
